Streamline EdTech. Amplify Learning.

Children should use their Google Workspace for Education account when accessing Google Services for school.

CTL CHROMEBOOK

PX112C Series

Introducing the CTL Chromebook PX112C Series, the only Chromebook offering 4G LTE, 5G, and CBRS private wireless network integrated connectivity.

The next generation of learning equity is here.

Easier operation for students

No need to hassle with external hotspots – or split bandwidth with others in the household. Students simply open and automatically connect.

Select the connectivity option that works for you

With one single device, connect via 4G LTE, 5G, or CBRS private wireless network bands - whatever works best for your district.

Simplify IT management

Streamline your student connectivity with this one connected device. Manage everything through the Google Admin console and eliminate any management of hotspot hardware, separate security updates, and individual device tracking.

Get the connectivity support you need

CTL's tech team is on hand to provision devices with SIM or eSIM cards, and help troubleshoot on start-up.

Be more cyber secure

Hotspots carry significant security risks. Eliminate them altogether and enjoy seamless CIPA compliance in one integrated, secure device.

From the leaders in connected Chromebooks

CTL was the first to release an LTE-enabled Chromebook, and over the years we've built expertise, systems, and customer-support processes that get you up and running quickly and smoothly.

CTL ships in eco-friendly bulk boxes for easy unpacking and reduced waste.

Rugged performance and sustainability

Technical Specifications

Bridge the digital learning divide with the CTL Chromebook PX112C Series. Featuring integrated 4G LTE, 5G, and CBRS private wireless network connectivity options in a single device, CTL transforms the Chromebook from a classroom device into a reliable, always-connected, academic multi-tool.

Future-proof performance
Next-gen Intel® N150 computing, 8 GB of RAM, 64 GB of storage, and Wi-Fi 6E enable seamless multitasking, content streaming, and managing the AI-infused apps of today and tomorrow.

Deliver certified, fast 5G connectivity
Certified to operate on the Verizon 5G network and compatible with multiple other 4G LTE, 5G, and CBRS bands, this Chromebook stands ready to deliver advanced connectivity performance.

Flexible SIM options
Use either a physical SIM in the included port or an eSIM card to activate connectivity.

Avoid hinge damage
The robust 180° lay-flat hinge avoids over-extension damage.

Collaborate clearly
Enjoy crisp video with the rugged 720p HD front-facing webcam with privacy shutter.

Get MIL-STD-810H tested durability
Work through anything with the spill-resistant keyboard, moisture-resistant trackpad, and easy single key repair.

Lifetime support
CTL offers extended warranties and accidental damage protection plans for up to 4 years, while Google Automatic Updates are active through 2035.

ACCESSORY ITEMS

Available Companion Products

Get the most from your investment. Protect devices with rugged cases and extend their use with additional peripherals.

Google for Education

Google Chrome Education Upgrade licenses

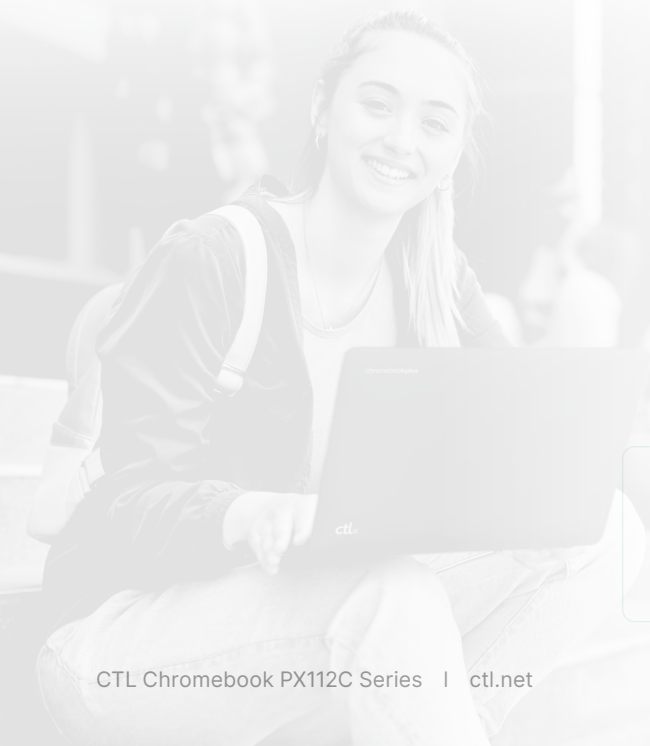

CTL is authorized to bundle Chrome Education Upgrades with your device purchase. With Chrome Education Upgrade, schools get greater ability to manage their ChromeOS environment to best meet the individual needs of their school, and every student and teacher.

Slide n' Snap CTL Secure Case

This companion Chromebook case provides lightweight, budget-friendly protection for high-intensity classroom environments. Constructed from durable polycarbonate and medical-grade silicone, it is hygienic and easy to clean, features textured edges for improved grip, and passes drop testing at 5 feet to ensure reliable real-world performance. The clear bottom shell ensures easy viewing of asset tags.

Magnetic breakaway USB-C adapters

Our innovative design prevents damage to your USB port, saves wear and tear on your AC adapter, and allows for easy plugging and unplugging of cables.

ABOUT CTL

Your Technology Lifecycle Partner

For school tech leaders stretched thin, CTL is more than a vendor—we're your strategic technology lifecycle partner. CTL replaces transactional vendors with a side-by-side partnership, delivering the most complete set of award-winning product and service solutions that streamline the entire EdTech lifecycle. CTL is a Certified B Corp™ for our commitment to sustainability and social responsibility.

Why work with CTL?

Dedicated focus on Chrome for education

We get schools. We understand your buying cycle, tech deployment issues, and service needs.

Comprehensive lifecycle services

CTL is your responsive partner for complete program services, from planning through device buybacks.

Durable design for student duty

All CTL Chromebooks are tested to MIL-grade standards, with features and easy repair options that lower your TCO.

1:1 partnership and service

CTL is more than a vendor, offering 1:1 program guidance and advice while consistently earning positive reviews.

- **35 years of computing expertise**
- **Devices deployed in 65 countries**
- **30+ awards for CTL's ChromeOS technology**
- **Technology lifecycle focused**
