#WeAreSMART

#ConnectionsThatMatter

## Explore what's possible

Built to evolve around your needs with market-leading ease of use, the SMART Board® RX series is the only interactive display that offers user-programmable tools to help you support inclusive classrooms.

### Blend physical and digital worlds

Turn static lessons into immersive learning experiences with SMART's Tool Explorer technology for a participative learning journey like no other.

### Delivering true multi-user interactivity

Let your students write, erase, touch, and gesture at the same time without interfering with one another's tool choices for a truly collaborative experience—only with SMART.

### Security meets convenience

Save teachers time with quick access to their own cloud storage, files, apps, and more. Easily sign-in with QR code, web link or NFC card.

## Powered by iQ 4 Android for the classroom

Easier workflows for educators, a feature-rich whiteboard, built-in tools and resources and student device integration—all designed to save you time and offer a personalized user experience.

iQ puts everything teachers need to confidently teach at their fingertips, regardless of their tech comfort level.

### The “walk up and teach” whiteboard

Make the most out of every lesson without overwhelming prep:

Research-based educational **templates and activities** engage students in any subject

Import multi-page PDFs effortlessly

**Whole-class device integration** including polling, brainstorming and whiteboard contributions

**Ad-free YouTube** and image search

### Use any device - effortlessly

The RX integrates with your preferred OS, apps and hardware. Only SMART gives you:

- **Multi-touch for Windows (50 pts\*) and Mac (20 pts)**
- **SMART Ink** - Pick up a pen and write directly into PDFs and Microsoft Office files. Write across unlimited browsers and apps simultaneously so you never have to redo your work - unique to SMART.

## iQ at a glance

- Android 13 with Google Mobile Services (EDLA)  
*Update to Android 15 coming soon*
- Whiteboard and screen share apps
- Google and Microsoft 365 integrations
- Multi-user support with Google & Microsoft SSO
- NFC, QR code and web link sign-in
- Install any app with Google Play including Dropbox and other cloud storage solutions.

## Technology designed for the long haul

With the RX series’ automatic updates, your teaching and tech evolve — without the learning curve or purchasing stress of a new display. How do we do this?

- OTA Android updates and new versions of Android OS keep your display safe and relevant
- In-house development of new features for the changing classroom
- Fully regression-tested appliance based upgrade paths for up to 10 years

#### SMART Quality

Our Accelerated Life Testing minimizes product failures, cutting e-waste and CO2 emissions from unnecessary replacements.

#### Warranty

Your display is protected from the get-go, with perks like advanced replacement, 2-way shipping, and on-site service for eligible users.†

#### Security and Privacy

Privacy is our default policy! Enjoy all the interactive features worry-free with our built-in security features.

#### Training

Empower educators with onboarding support and access to training and professional learning —so they can focus on what matters most.

#### Sustainability

We use minimal materials while packaging and optimize it to fit 30% more products in containers, slashing carbon emissions.

† Available in North America, UK & Ireland, Austria, Germany, Switzerland, Belgium, the Netherlands, Luxembourg, Australia & New Zealand
